19.04.2011

Dear Sir / Madam,

We extend our sincerest congratulations to Sri Ramakrishna Hospital & it gives us great pleasure to join with Dr. G. Balasubramanian's family, friends, and colleagues in congratulating Dr. G. Balasubramanian, Orthopaedic Surgeon for won the Best Paper Medal and a cash prize for a presentation on research "Gender Knee Relacement – Morphometric Analysis of Male and Female Knee Joint" and refute the claim that women needed separately designed prosthesis for knee replacement. We came to know from "The Hindu" daily newspaper dated 19.04.2011.

Award for his long-standing dedication to improving lives of people who are suffering & suffered from Knee related problems & we believe it is our duty to search out opportunities to make a difference in the lives of those around us and to dedicate time and resources to the betterment of our community. We would like to express our sincere appreciation for his commitment and dedication to the people.

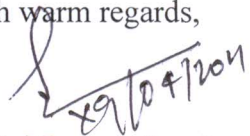

This is certainly a well-deserved award in recognition of his leadership and significant contributions to advance the profession of Ortho & his work with the Sri Ramakrishna Hospital has been outstanding. It is pleasing to us personally because he is a cherished surgeon.

Without question, the most wonderful aspect of this honor is that Dr. G. Balasubramanian, whose name is synonymous with Rehabilitation and who played the lead role in the professionalization of the discipline, is viewed by the collective Orthopedic World as "the very best."

By freely giving his time, leadership and compassion Dr. G. Balasubramanian have made a tremendous impact on the lives of those around him and people across the nation. The advocacy of this presentation gives countless to the people the support they need to move forward with confidence into their world.

Once again we earnestly appreciate the treasured Dr. G. Balasubramanian for his noteworthy service to the society and in the field of medicine.

With warm regards,

(W.K. Viswanathan)
